Board of Education 2019-20 Goals

1. Increase board/community involvement

- Attend at least 3 community events, and 3 school events
- Create a calendar of community/school events (Google calendar with a representative that has editing access)
- 100% participation in Board self-evaluation
- Re-engage stakeholders that participated in the strategic plan

2. Come up with a process to complete the Superintendent Evaluation.

- Address the evaluation briefly in each closed session, or quarterly, unless a significant event (Oct, Dec, Feb, Apr)
- Everything that is written, should be related back to Superintendent
- 100% participation in Superintendent evaluation

3. Student Achievement - The Board will gain an understanding of various data points that contribute to student achievement.

- The Board will gain a basic knowledge of the different methodologies that measure student achievement.
- There will be quarterly communication at a Board meeting reviewing data related to student achievement.
- There will be an understanding of student data through the equity lens (i.e. gender, race, socio-economic, classification).
- There will be at least one showcasing of a best practice to the Board.
