

Mrs. Deaver currently serves as Supervisor of Student Support Services for the district. She began this position in July 2014. Mrs. Deaver's responsibilities include working directly with families in transition and ensuring educational stability for students. She is also responsible for homebound instruction. She case manages students eligible for special education and related services, counsels when appropriate, and conducts services as a social worker. Mrs. Deaver enjoys working in coordination with all staff members to meet the needs of our students.

Prior to her current position, Mrs. Deaver held the position as Director of Special Education and 504 Compliance Officer from 2008-2014. She initially joined the Pittsgrove Township School District in 2003 as a Social Worker on the Child Study Team. Prior to joining the professional team in Pittsgrove, Mrs. Deaver worked at a special education private school serving students from grades 6-12 with behavioral disabilities.

Mrs. Deaver earned her undergraduate degree in Psychology from Richard Stockton College of New Jersey. She holds a Master's degree from Widener University in Social Work. She also has a license in Social Work. Mrs. Deaver continued Graduate studies at Wilmington University and obtained her certification in Supervision.
