

Ms. DuBois currently serves as the district's Director of Curriculum & Instruction. She began this position in July 2012. In this position, her responsibilities include working directly with teachers and administrators to ensure that our curricula and instruction is adhering the requirements set forth by the State of New Jersey, the Board of Education, and most importantly, meeting the needs of our students. She also serves as the district's School Choice Program Director and Director of Title 1 Programs.

Prior to her current position, Ms. DuBois joined the Pittsgrove Township School District in 2004 as a 5th and 7th grade science teacher. Since then, she has also instructed 5th grade basic skills language arts and 6th grade science and language arts. In 2008, Ms. DuBois accepted her first administrative position in the district as Supervisor of Math, Science, & Technology. From 2010-2012, she served as the Assistant Principal of the Pittsgrove Township Middle School. Prior to joining the professional team in Pittsgrove, Ms. DuBois taught mathematics in grades 5-8, Algebra I, language arts, and social studies in neighboring South Jersey Schools.

Ms. DuBois earned her undergraduate degrees from Rowan University in Math/Science and Elementary Education (K-8). She holds Master's degrees from Wilmington University in both School Counseling and School Leadership. Ms. DuBois is a former resident of Pittsgrove Township and graduate of Arthur P. Schalick High School.
